      time and more than 3,000 usd in revenues.
javascript , TypeScript, Angular, Angular, CSS

Central de belleza © showcase salesman – 2010-2013
Was my first job and become a complete new challenge
to me but after the training time i become a successful deal closer,
of course i was better selling hair dryer, hair straighteners or
ellectrodomestics in general, but not let that limit myself and learn
a lot of other products and even learn how to
combine colors to recommend a nail polish or hair dye.
   ● Perform a social network integration business.
